I HAVE ENJOYED LISTENING TO MY XM RADIO FOR OVER A YEAR AND AM PLEASED WITH THE ENTAINMENT, NEWS AND INFORMATION THAT IT BRINGS TO ME AND MY FAMILY MEMBERS. MY HUSBAND AND I TRAVEL A GREAT DEAL AND HAVE BEEN LOOKING FORWARD TO WHEN WE WILL BE ABLE TO RECEIVE TRAVEL INFORMATION IN THE MONTH OF JUNE OR JULY. DUE TO ILLNESS MY HUSBAND IS UNABLE TO DO MUCH DRIVING, SO THEREFORE I AM IN THE DRIVERS SEAT MOST OF THE TIME. BY PROVIDING THE TRAFFIC AND WEATHER SITUATIONS TO ME IN THE AREA WHERE I MAY BE LOCATED AT ANY GIVEN TIME WILL BE GREAT SERVICE AND I CAN NOT IMAGINE THE FCC NOT ALLOWING THIS SERVICE. I WISH TO TAKE THIS OPPORTUNITY TO RESPECTFULLY REQUEST THE FCC TO REJECT NABS PETITION 04-160 AND TO SUPPORT XM'S ABILITY TO PROVIDE THE KIND OF PROGRAMMING I WANT, NEED, DESERVE AND EXPECT WITHOUT ANY UNNECESSARY DELAYS. THANK YOU, PAT AND JIM CLARK
